The Rev. Joseph Smith is the 10th rector of St. Mary's and comes to us from Columbia, South Carolina. While Father Smith truly loves all people, he has a special place in his heart for children and youth. This love no doubt dates back to his twelve years as a youth minister. When asked about his dream for St. Mary's, Smith says "My hope and dream for our church is for us to truly transcend our culture. As we all love our God and love our neighbor, friend and stranger alike, together we must figure out what that means in the 21st century and where the Holy Spirit is leading us.
